ECLIPSE

Suicide can be a hard word to say, let alone be a topic of conversation. In the Eclipse group, we are not afraid to talk about suicide. Eclipse is a support group for adults who have survived a suicide attempt.

It offers understanding, connection, & hope, regardless of when the attempt happened.

The 8 week group is an opportunity to meet and talk to others who have survived a suicide attempt, in a safe and supportive environment.

It is free to attend and you do not need a referral to register.
